A Few Words of Appreciation

While this pamphlet has been published in the Syriac Language, sketching in brief the history and work of the Carter Memorial Assyrian Chaple; until was organized into a church.

This passge is printed in the English language, wherein we wish to express our sincere gratitude and tender affection to the Minister, Officers and members of the Mother Ecke, Dr. Kerr, Mr. Chanler and Many others, but more and above all throuth the zeal and interest of the great Friend of the Assyrians Dr. John Timothy Stone. The Fourth church has not only helped us in the support of the work, but they have shown to us through their Pastor and Session the love of a mother toward her little child. For twelve years the people of this church have been bea-

church, namely the Fourth Presbyterian church of Chicago. We confess that we could not have started and supported this Mission. Neither could we have built under any condition this beautiful chapel building, if it was not of the Christian spirit and generousity of the church: being aroused by the interest of such godly men and women as Dr. Notman, Dr. Freeman, Mr. Bodman, Mr. and Mrs. Wheeler, Mr. and Mrs. Bush, Mrs. Clow, Dr. ring our burden forebearing our mistakes and blunders, sharing with us in our sorrows and rejoicing in our joys. What we are and what we have as Christian men and women and as the church of Jesus Christ; we owe it to the grace of God brought to us through the channel of the Fourth Presbyterian Church. It is fit to say with Psalmest of old, "If we forget thee Fourth Church, let onr right hand forget her skill."
